

Worksheet

Mini-Beast Detectives

Using the equipment you have been given carefully search for some mini beasts.
Identify them using the key, then fill out the table so you can compare the different minibeasts.

Minibeast name	Where found	Features
e.g. Spider	on some tree bark	8 legs, large, round abdomen (body)

Draw a picture of two different mini beasts that you've found. Label their different parts.

A.

B.

How are the two mini-beasts different?

.....

Can you see which features of the minibeasts help them live in the place you found them?

Mini Beast A.

Mini Beast B.

WHEN YOU HAVE FINISHED LOOKING AT THEM, PUT THE
MINI BEASTS BACK CAREFULLY WHERE YOU FOUND THEM.
